PROFESSIONAL PROFILE

To obtain a position as an Arabic Teacher where I can maximize my training experience, program development skills, and my teaching abilities. Areas of Expertise: Strong interpersonal, presentation, and report writing skills. Expert in Arabic language, literature, and culture.

EDUCATION

Bachelor of Education - Teacher of Arabic and Literature

Yarmouk University | June 2002

Course Highlights:

- Focusing on active teaching and learning, and the use of modern technologies in education.
- Consolidating the habits of self-learning among students and scholars, and consolidating the trends of lifelong learning.
- Providing students with advanced educational experiences that contribute to refining their personalities and strengthening their role in serving the university and society.

EXPERIENCE

Ministry of Education | August 2007 - Present

Arabic Language Teacher - Elementary & Secondary

- Plan, initiate and guide the units of study in Arabic which involve speaking, listening, writing, and reading.
- Create and evaluate assessments of each student's work and keep records updated.
- Foster thought, discussion, reading comprehension, linguistic analysis and a consistent work ethic.
- Communicate regularly and constructively with peers, administrators, students, and parents.
- Set and assign appropriate homework on a regular basis to reinforce student learning and to prepare them for further class activities.
- Use teaching methods engaging students, stimulating intellectual curiosity including the use of effective questioning, presentation and resources.
- Set high expectations for students behavior, establishing and maintaining a good standard of behavior management through well focused teaching and through positive and productive relationships as in accordance with the Ministry of Education policies.
- Other duties are assigned

"Education is the key to success in life, and teachers make a lasting impact in the lives of their students."
