Amman - Jordan | 00962781976118 | qusai5008@gmail.com
24 Years | Jordanian | Married

About Me

I try to provide a unique experience in education; whether in face-to-face education in the classroom, or through designing and manufacturing lessons electronically as an instructional designer.

I have skills in creative thinking, creative writing, presentation and recitation, content writing and proofreading. I am very good at using computers, I have the ability to learn and develop in everything new in education, and I am concerned with the Arabic language and its various fields.
